Re: Smith's Fee Ground
ACT/015/016

Dear Mr. Gauthier:

On June 26, 1978 we received the change rider to your reclamation bond (# 363E6716) which decreased the bond from \$10,000 to \$1,000. This meets with our approval and we now ask that you complete the enclosed bond form for our file. The final release of the present bond is now dependent upon your revegetation success according to Rule M-10 (12) and our future field inspections.

Sincerely,

BRIAN W. BUCK
